Product Specifications

Construction

- Diecast aluminum housing and heatsink for added protection

Electrical

- Long-life LED system with electrical driver for optimal performance
- LED's available in 4000K and 5000K with CRI > 80
- Available for 120-277V
- 0-10V dimming standard
- 72" power and dimming cord provided as standard for easier installation
- Integral 4K surge protector

Finish

- White polyester powder coat finish painted after fabrication

Optics

- Medium distribution standard

Mounting

- Designed for suspension mounting with 1/2" threaded hub
- Accessory hook included

Compliance

- cULus listed for wet location -40C to 45C ambient environments
- IP65 rated
- LED modules comply with IESNA LM-79 and LM-80 testing standards
- DesignLights Consortium® Qualified and classified for DLC Premium, refer to www.designlights.org for details.

Warranty

- Five year warranty
